Announcement

Clark County Fire District 10 is hiring.

Clark County Fire District 10 is seeking qualified individuals to fill 3 full-time positions and to fill a part-time pool. We are a rural combination department covering approximately 85 square miles in north Clark County Washington. We provide BLS EMS and Fire first response and work in close coordination with a separate public ambulance service to meet the needs of our rapidly growing community. We also have a large Wildland Interface component and participate in wildland response throughout the state.

A successful candidate will have a history of working closely with volunteers and the community. We currently respond from one staffed station and 5 unstaffed stations. We are in the process of adding living quarters to a second of our current locations. The full-time position will be the second crew member at one of our staffed stations and will work a 48/96 schedule with FLSA days, sick leave and vacation, health insurance through the Washington Fire Commissioners Association, LEOFF2 retirement and the ability to participate in a deferred compensation program or Roth IRA through the Washington State Department of Retirement Systems.

For more information, you may call our office at (360) 247-5233 or look at our hiring package at <http://clark10.org/jobopportunities.html>

Applications are due in our office or postmarked by October 13th, 2023 by 5:00 pm. No electronically submitted applications will be accepted.
