

2025 CCEMS

40 HOUR EMT REFRESHER

COURSE SCHEDULE

Participants who successfully complete this online 40-Hour EMT Refresher Course curriculum will receive the Certificate of Completion needed to be eligible to take the NREMT Exam.

This course will meet:

- the 20 hours of the National, 10 hours of the State/Local and 10 hours of the Individual education requirements for National Registry of Emergency Medical Technicians (NREMT) recertification via the National Continued Competency Program (NCCP) model.
- the education requirements for state-approved refresher courses which are required for lapsed EMT certifications or for those who failed the NREMT exam three times.
- the education requirements for Washington State continuing medical education (CME) recertification requirements WAC 246-976-162 for EMTs who do not meet ongoing training and evaluation program (OTEP) requirements listed in WAC 246-976-163.

Washington EMT providers recertifying per CME method will still need to pass the cognitive assessment examination through NREMT/Pearson Vue.

Participants will need computer a to access the online curriculum portion of the program.

WHEN: January 1-31, March 1-31, May 1-31, July 1-31, September 1-30, November 1-30
